2024 7th International Conference on Environmental and Energy Engineering

www.ic3e.net

IC3E 2024

Chengdu, China
Mar.29-31,2024

SPEAKERS

Prof. Guangwei Huang
Sophia University, Japan

Prof. C.W. Lim
City University of Hong Kong, China

Prof. Hongguang Guo
Sichuan University, China

PUBLICATION&INDEXING

All accepted submissions should be presented at conference. Selected submissions with high quality and great extension will be recommended to publish in *Journal of Environmental Informatics Letters* (ISSN: 2663-6859) after the conference.

JEIL is a **Scopus** indexed journal.

IMPORTANT DATES

Participation Deadline	Feb.29, 2024
Conference Dates	Mar.29-31, 2024

CALL FOR PAPER

IC3E 2024 scope covers, but not limited to:

1. **Energy and Environment**
   Ecology and Biodiversity Conservation
   Environmental Pollution & Management
   Environmental Hydraulics
   Sustainable Development
   Environmental Ergonomics
   Air pollution from Mobile and Stationary Sources
   Climate change
   Noise and Acoustics

2. **Advanced Energy Technologies**
   Renewable Energy Sources
   Solar Electricity and PV Applications
   Solar Thermal Applications
   Hydroelectric, Geothermal, Tides and Waves
   Biogas and Biomass
   Energy from the Space, Dark Energy
   Nanotechnology applications to RE
   Fuel Additives

More details about themes, please click or scan the QR Code.

SUBMISSION

Two submission methods:

1. **Electronic Submission System**
If you want to submit your submissions through electronic submission system, please (**click**) or scan the following QR code:

2. **E-mail**
If you want to submit your submissions through E-mail, please just send it to the conference e-mail address: **ic3e@apise.org**

Tips:
(1) Manuscripts must be written in English
(2) The topics of abstract should be relevant to conference topics
